Advance Skills in Digital Marketing

Course Description:

Are you looking for a stable income source with a tech career? Then, Digital Marketing is the best opportunity for you. It will help you to become a successful freelancer or professional job holder.

However, Digital marketing has changed the trend of marketing. Where traditional marketing is quite costly, digital marketing is very cheap, nevertheless, more effective. Since it is easy to reach targeted customers quickly, business is heading vibrantly. For that reason, small enterprises are doing well in business such as multinational companies. The most noticeable thing is being seen that startups are dramatically being established by dint of digital marketing. So, now it is a blessing for entrepreneurs, freelancers, and job seekers.

In this regard, to create an expert, chartered skills have brought a comprehensive course, combination of technical and practical knowledge.

Course Requirements:

- No experience required
- Suitable for all types of businesses (digital product, physical product, service, B2B, B2C).

Course outline:

- Introduction to digital marketing
- How digital tools are changing products
- SEO, SEM, CMS
