Post Graduate Diploma in Islamic Banking (PGDIB)

Course Description:

This diploma course is jointly organized by IBER of United International University & Chartered Skills.

The Islamic financial services industry has witnessed prolific growth as a viable sub-sector in the global financial arena thanks to its asset-backed, resilience, and inclusiveness features over the last five decades. Today, Islamic banking, the dominating segment of the Islamic financial services industry has emerged as a strong financial service industry not only in the Muslim majority Middle Eastern, Southeast, and South Asian countries but also in Muslim minority large economies such as the UK, Germany, France, Ireland, the USA, Russia, China, Hongkong, Singapore, Thailand, and the Philippines. In tandem with global progress, Bangladesh as one of South Asia's booming economies has also experienced robust growth in Islamic banking due to policy support of the Central Bank and rising public demand.

The Post Graduate Diploma in Islamic Banking (PGDIB) is the first of its kind in Bangladesh with the intent to disseminate proper knowledge and expertise on Islamic banking and finance among the fresh graduates to prepare them to enter in the rising local and global Islamic banking industry. In addition, it aims to update the knowledge of Islamic finance professionals who are seeking to sharpen their understating of principles, instruments, operating procedures, and legal, regulatory, and Shariah framework of Islamic banking and finance. The Post Graduate Diploma in Islamic Banking (PGDIB) would also offer a great opportunity for graduates of Islamic religious institutions to develop as Shariah Auditor/Advisor who can work in Islamic banking and Sukuk Issuing non-banking firms. This diploma is going to offer a compact study material to get acquainted with the ideal Islamic banking and finance products including sukuk and operating procedures to meet the aspiration of rising local and foreign interest and concerns in the field of Islamic Banking and Finance.

Teaching Methodology:

The teaching methodology will include a combination of lectures, exercises, case studies, in-class assignments, projects, student presentations, group work, and guest speakers. Classes will be taken by our experienced faculty members, senior bankers, and professionals having long-time experience in Islamic Banking.
